

Items for Recycling when buying New Radware Electrical and Electronic Equipment

Under the Spanish Royal Decree 208/2005 on Electrical and Electronic Equipment and Management of its Waste, when customers buy new electrical and electronic equipment from Radware dealers they are entitled to send old equipment for recycling on a one-for-one, like-for-like basis. Radware has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed equipment weighs less than 1000kg and is:

Old equipment that has been replaced by a purchase of new Radware equipment after August 13th 2005 (on a one-for-one, like-for-like basis); and / or

☐

Radware equipment purchased after August 13th 2005 which has become waste
