

WEB APPLICATION FIREWALL Certificate

Presented this 12th day of September 2014 to

Radware Inc.

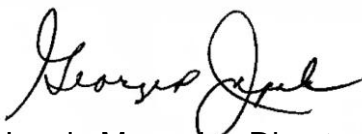

22 Raoul Wallenberg Street
Tel Aviv, 69710 Israel

AppWall Web Application Firewall

ICSA Labs is pleased to announce that the product named above retained certification following rigorous and thorough testing in the Web Application Firewall Certification Testing Program.

The product was most recently tested against the requirements in version 2.1 of the Web Application Firewall Criteria.

The product remains continuously deployed at ICSA Labs where it is subjected to ongoing testing.

George P. Japak, Managing Director, ICSA Labs

Barring decertification during continued testing, this certificate is valid through September 11, 2015

Certificate number: 130038R02
