Ref: RADW18926-B-AUT.DOC

Date: 12 FEBRUARY 2020

Mr. Alex Kramp,
Radware Ltd.,
22 Raoul Wallenberg Street,
TEL AVIV, Israel

Dear Mr. Kramp.,

SUBJECT: AUTHORITY TO APPLY RCM LABEL - RADWARE ON DEMAND SWITCHES

We refer to your request to us to arrange for Certification and Compliance of the Radware On Demand Switches set out in the table on Pg. 2 hereof.

This authority replaces RADW18926AUT and clarifies Product description.

We have made a Declaration of Conformity according to the Australian Communications and Media Authority and New Zealand Ministry of Business, Innovation and Employment requirements after examining the Test Reports and other documentation you have provided.

A Compliance Folder, in accordance with ACMA regulations, has been set up based on this documentation.

In order to comply with regulatory requirements, all importers must be registered as Responsible Suppliers on the ACMA National Database.

You must therefore advise us of each and every every importer of products certified by R. Medding & Associates on behalf of your company, so that we can ensure they are registered on the database. Further, such importers must provide us with an Appointment of Agent of the Importer document, otherwise they will be in breach of the regulations and could be subject to a substantial fine.

The following documents are attached to this letter:-

Authority to Label
Labelling Instructions
Suppliers Declaration of Conformit

You are hereby authorised to apply to the abovementioned product, the label which is depicted in the attached Labelling Instruction, but only strictly in accordance with this letter, Authority to Label and the Labelling Instruction.

Kind regards,
Yours sincerely,

R. MEDDING
R. MEDDING & ASSOCIATES

AUTHORITY TO LABEL

Authority No:	RADW18926-B-AUT
Date of Authority:	12 February 2020
Manufacturer/Supplier	Radware Ltd.
Product:	Radware On Demand Switches where each model comprises a “Platform” and a “Software” Application as set out in the table below
Label to be applied:	RCM
Geographical Restrictions:	Australia and New Zealand
Special Conditions:	<p>This Authority to Label authorises the aforementioned Manufacturer/Supplier to label the products listed below with the RCM , subject to the following:</p> <p>This authority pertains only to the product/s listed below</p> <p>The products shall be identical to the products tested</p> <p>It is incumbent upon Radware Ltd. to notify R. Medding & Associates on a continuing basis of hardware and software changes for the products set out above. Notification shall be given no later than two weeks following such changes. A sample of the Label must be submitted to RMA for review prior to use.</p> <p>Radware Ltd. must advise R. Medding & Associates of each and every new importer from now on so that they can be registered on the ACMA National Database, otherwise such importer/s will be in breach of the regulations and could be subject to a substantial fine.</p>

GENERAL CONDITIONS

1. The Label shall be reproduced and affixed to the product in accordance with the Conditions set out below and in the attached Labelling Instruction.
2. This Authority to Affix the Label is subject to you continuing to manufacture the product exactly as the sample tested and documentation supplied with the sample. However, Radware Ltd. is permitted to make those changes specified in any ECO (Engineering Change Order) to which R. Medding & Associates has given its prior written approval.

3. The Label must be used only on the Products referred to in this Authority to Label.
4. The Label must only be used on product sold to Australian and New Zealand Importers who have appointed R. Medding & Associates as their Agent in accordance with the form of appointment held in the Compliance Folder. ***This authority only applies to those Importers who have signed a "Registration as Importer" document.***
5. The Label must not be used in any way which is likely to be confusing or misleading; inadequate having regard to Australian or New Zealand laws or ACMA or New Zealand Ministry of Business, Innovation and Employment requirements or damaging to the reputation of the Australian Communications and Media Authority, New Zealand Ministry of Business, Innovation and Employment or R. Medding & Associates. Unauthorised or misleading use of the Mark may be contrary to the Radiocommunications Act 1997, the Trade Marks Act 1995, the Telecommunications Act 1997 or the Trade Practices Act 1974.
6. R. Medding & Associates reserves the right to withdraw this Authority if Radware Ltd. breaches the conditions of this Authority and/or the conditions set out in the Agreement between R. Medding & Associates and Radware Australia Pty. Ltd.

LABELLING INSTRUCTION

RCM

Representation of the Mark

The mark must be reproduced exactly as shown above. No variations are permitted.

Size

The size of the “RCM” shall be a minimum of 3mm in height and the Importers Label lettering shall be a minimum of 1mm.

Location

The mark shall be located in a conspicuous position on the external surface of the equipment. The label should be placed as near as possible to the product identification code.

Durability

The mark shall be attached in a permanent manner, that is, cast or etched onto the equipment or affixed by a plate or a label which cannot be removed except by destroying or defacing the equipment.

Supplier's declaration of conformity

As required by the following Notices:

- > *Radiocommunications (Compliance Labelling - Devices) Notice 2014* made under section 182 of the *Radiocommunications Act 1992*;
- > *Radiocommunications Labelling (Electromagnetic Compatibility) Notice 2008* made under section 182 of the *Radiocommunications Act 1992*
- > *Radiocommunications (Compliance Labelling – Electromagnetic Radiation) Notice 2014* made under section 182 of the *Radiocommunications Act 1992* and
- > *Telecommunications (Labelling Notice for Customer Equipment and Customer Cabling) Instrument 2015* made under section 407 of the *Telecommunications Act 1997*.

Instructions for completion

- > **Do not return this form to the ACMA.** This completed form must be retained by the supplier as part of the documentation required for the compliance records and must be made available for inspection by the ACMA when requested.

The *Privacy Act 1988* (Cth) (the Privacy Act) imposes obligations on the ACMA in relation to the collection, security, quality, access, use and disclosure of personal information. These obligations are detailed in the Australian Privacy Principles.

The ACMA may only collect personal information if it is reasonably necessary for, or directly related to, one or more of the ACMA's functions or activities.

The purpose of collecting the personal information in this form is to ensure the supplier is identified in the 'Declaration of conformity'. If this Declaration of Conformity is not completed and the requested information is not provided, a compliance label cannot be applied.

Further information on the Privacy Act and the ACMA's Privacy Policy is available at www.acma.gov.au/privacypolicy. The Privacy Policy contains details about how you may access personal information about you that is held by the ACMA, and seek the correction of such information. It also explains how you may complain about a breach of the Privacy Act and how we will deal with such a complaint.

Should you have any questions in this regard, please contact the ACMA's privacy contact officer on telephone on 1800 226 667 or by email at privacy@acma.gov.au.
