

Waste Electrical and Electronic Equipment for Recycling from Radware Customers

Under the Italian Decree for WEEE, when customers buy new electrical and electronic equipment from Radware they are entitled to send old equipment for recycling on a one-for-one, like-for-like basis. Customers are also entitled to send the new Radware equipment for recycling when it ultimately becomes waste. Radware has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that the enclosed waste (EWC code 16 02 14) is:	
Old equipment that has been replaced by a purchase of new Radware equipment after December 31st 2010 (on a one-for-one, like-for-like basis); and / or	✓
